Supplementary Grants

Survey of the Tranvancore—Cochin boundary—Rs 1,900.

Mr. K. Achyuta Menon:— Sir, I rise to move for an additional allotment of Rs 1,900 under Survey of the Tranvancore—Cochin boundary. It is necessary to have a joint survey of the Travancore-Cochin boundary running along the reserve forests by the Survey Officers of the Travancore and Cochin Governments. The condition of the survey marks even in accessible places on this boundary is reported to be very poor. Hon'ble Members will understand that the existing survey staff cannot attend to this work without detriment to their own legitimate work. A special survey staff has been appointed by the Travancore Government. The work is to be spread out for two years and it is proposed to be started in Kumbham 1110.
